THE EVOLUTION OF A PERFECT FLOOR

DE Die GRAND SELECTION EVOLUTION überzeugt durch die natürlichen Farben einer französischen Eiche und eine perfekt abgestimmte Oberflächenstruktur. **Neu:** das elegante Herringbone-Design! Vier ausgewählte Dekore sind neu nicht nur als Standarddiele, sondern auch im stilvollen Fischgrätmuster erhältlich.

EN The GRAND SELECTION EVOLUTION impresses with the natural colours of French oak and a perfectly coordinated surface structure. **New:** the elegant herringbone design! Four selected decors are now available not only as standard planks, but also in a stylish herringbone pattern.

FR La GRAND SELECTION EVOLUTION séduit par les couleurs naturelles d'un chêne français et une structure de surface parfaitement harmonisée. **Nouveau:** l'élégant motif à chevrons ! Quatre décors sélectionnés sont désormais disponibles non seulement en lames standard, mais aussi dans un élégant motif à chevrons.

IT La GRAND SELECTION EVOLUTION convince grazie ai colori naturali del rovere francese e alla struttura superficiale perfettamente armonizzata. **Novità:** l'elegante design a spina di pesce! Quattro decori selezionati sono ora disponibili non solo come listoni standard, ma anche nell'elegante motivo a spina di pesce.

ES La GRAND SELECTION EVOLUTION convence por los colores naturales del roble francés y una estructura de superficie perfectamente armonizada. **Novedad:** ¡el elegante diseño en espiga! Cuatro diseños seleccionados están disponibles ahora no solo como tarima estándar, sino también en un elegante patrón en espiga.

PT A GRAND SELECTION EVOLUTION impressiona pelas cores naturais do carvalho francês e pela estrutura da superfície perfeitamente harmonizada. **Novo:** o elegante design em espinha! Quatro decoreselecionados estão agora disponíveis não só como tábuas padrão, mas também no elegante padrão em espinha.
