244 mm | 9.6"

DE Mit Natürlichkeit und Schlichtheit überzeugen die Eichendekore der GRAND SELECTION PERFECTION. Die dezente Musterung der Dielen kombiniert mit einer edelmatten Oberfläche sorgt für ein harmonisches Gesamtbild. Ihrem Namen machen die PERFECTION-Dekore nicht nur mit ihrer vollendeten Optik und der Wasserbeständigkeit alle Ehre, sondern auch mit der integrierten Trittschalldämmung.

EN The oak decors in the GRAND SELECTION PERFECTION impress with their natural simplicity. The subtle patterning of the planks combined with a fine matt surface create a harmonious overall picture. The PERFECTION decors not only live up to their name with their great look and water resistance, but also with the integrated impact sound underlay.

FR Les décors en chêne de GRAND SELECTION PERFECTION séduisent par leur naturel et leur sobriété. Le motif discret des lames, combiné à une surface mate noble, assure un ensemble harmonieux. Les décors PERFECTION ne font pas seulement honneur à leur nom avec leur aspect parfaite et leur résistance à l'eau, mais aussi par l'isolation phonique intégrée.

IT I decori in rovere della GRAND SELECTION PERFECTION incantano con la loro naturalezza e semplicità. Le delicate venature delle tavole, combinate con una raffinata superficie opaca, creano un quadro d'insieme armonioso. I decori PERFECTION non fanno onore al loro nome solo per il loro aspetto perfetto e la resistenza all'acqua, ma anche per il loro isolamento anti-calpestio integrato.

ES Los colores de roble de la GRAND SELECTION PERFECTION impresionan por su naturalidad y sencillez. El sutil dibujo de las lamas combinado con una superficie mate fina crea una imagen de conjunto armoniosa. Las decoraciones PERFECTION no sólo hacen honor a su nombre con su aspecto completo y su resistencia al agua, sino también con el sistema integrado de aislamiento acústico contra impactos.

PT Os padrões em carvalho da GRAND SELECTION PERFECTION impressionam pela sua naturalidade e simplicidade. O padrão discreto das réguas, combinado com uma superfície de mate fino, garante um aspeto geral harmonioso. Os padrões PERFECTION não só fazem jus ao seu nome com a sua aparência perfeita e resistência à água, mas também com o seu isolamento contra ruído integrado.
